Welcome to your Safespace!

About your interlocutor:

You have been matched with **Hedy Lamarr**. Hedy Lamarr is known for her career as an actress, but she was also a **brilliant engineer** who co-invented a radio guidance system in WWII. Unfortunately, **no one took her seriously** because she was a **woman**, and so it took 20 years for her technology to be rediscovered.

Hedy Lamarr
Hello there

Hedy Lamarr
How can I help you?

Oh my God!!! Are you really Hedy Lamarr???

Hedy Lamarr
Yeah! 🤖

I've just left the school and...
